Your support makes the next two years of our work possible.

Your sponsorship will help engage hundreds of local residents each year, and **every sponsorship dollar will be doubled by our NEH match.**

All benefits and exposure accrue through to 2020.

Marlboro College, the Brattleboro Literary Festival, the Brattleboro Historical Society, Brooks Memorial Library and Write Action have joined forces with a matching grant from the National Endowment for the Humanities (NEH) to showcase the literary secrets of our storied past. Local authors, scholars, students, artists and ordinary citizens gather at our monthly Roundtables to share information, plan public events, exhibits and a book (*Print Town*) on our colorful publishing and printing history which continues today, all building toward a living Brattleboro Words Trail website and physical maps that will be prominent community assets for years to come.
